</html>

OUTPUT:-

The screenshot displays a web form titled "Student Registration" set against a light blue gradient background. The form is contained within a white rectangular box and includes the following fields and elements:

- Enrollment Number:** A single-line text input field.
- Full Name:** A single-line text input field.
- Email:** A single-line text input field.
- Password:** A single-line text input field.
- Confirm Password:** A single-line text input field.
- Phone Number:** A single-line text input field.
- Address:** A multi-line text area with a small icon in the bottom right corner.
- Gender:** Two radio button options labeled "Male" and "Female".
- Branch:** A dropdown menu currently showing "Computer Engineering" with a downward arrow.
- Register:** A prominent green button at the bottom of the form.
